

General Faculties Council Standing Committees General Terms of Reference

1. ESTABLISHMENT

Under the Post-Secondary Learning Act (**PSLA**), subject to the authority of the Board of Governors, the General Faculties Council (**GFC**) is responsible for the academic affairs of the University and has general supervision of student affairs at the University.

To assist it in carrying out its work effectively and productively, the GFC has or will from time to time establish standing committees (each herein referred to as the **Committee**).

These General Terms of Reference set out provisions applicable to the operations of all GFC standing committees and are supplemented by terms of reference comprising provisions specific to each Committee (**Committee Terms of Reference**). In the event of a conflict between the provisions of these General Terms of Reference and the Committee Terms of Reference, the Committee Terms of Reference will govern.

2. MEMBERSHIP

Terms

Appointments may be made for terms of up to 3 years, with eligibility for re-appointment for additional terms of up to a cumulative maximum of six consecutive years. A member's term will continue until the term start date of the member's successor or on the expiry date of the member's appointment if there is no successor. Members having served the maximum six consecutive years will be eligible for appointment to the Committee after a minimum of two (2) years has elapsed since the expiration of their last term.

Casual Vacancies

Members will advise the Committee Secretary (**Secretary**) as soon as possible of any known or anticipated circumstances that would result in the member being absent from two or more consecutive meetings. In this circumstance or in the event that a member is absent from two or more consecutive meetings without notice, the Committee Co-Chair (**Co-Chair**) may agree to allow a substitute to be appointed for the duration of the absence of the member or may declare the member's position vacant and ask that a replacement be appointed for the balance of the member's term. Appointments under this provision will be conducted in accordance with the regular appointment process for that member.

In respect of ex-officio members, with the Co-Chair's agreement, an ex-officio member (or the Co-Chair) may designate a substitute to serve as a Committee member for the duration of the absence of the ex-officio member.

3. RESPONSIBILITIES OF MEMBERS

Members are expected to:

- Familiarize themselves with GFC's role in governing the University, these General Terms of Reference and the Committee's Terms of Reference
- Make every reasonable effort to attend all Committee meetings of which they are a member, in person whenever possible
- Come to meetings prepared to engage in respectful, meaningful discussion and provide considered, constructive and thoughtful feedback and commentary, express opinions and ask questions to enable the Committee to exercise its best judgment in decision making and advising GFC
- Act in the best interests of the University

4. ROLE, RESPONSIBILITIES, POWERS AND AUTHORITIES

Committee Terms of Reference will describe the Committee's role, responsibilities, powers and authorities.

5. MEETINGS

Schedule

The Committee will meet during the period from September to June in each year (the **meeting year**) in accordance with the meeting schedule approved by the GFC Executive Committee for that meeting year. Additional meetings may be called by the Co-Chair as necessary to deal with business.

Notice

Members will be provided with a calendar of meeting dates for regularly scheduled meetings in advance of each meeting year or in advance of the first Committee meeting for those Committees established during the meeting year. Meeting details, including for additional or re-scheduled meetings, will be communicated to members by the Secretary within a reasonable time before each meeting.

Absence of Co-Chair

In the event that the Co-Chair is unable to attend a specific meeting, then the Academic Co-Chair¹ shall act as Co-Chair for that meeting.

In the event that both the Co-Chair and Academic Co-Chair are unable to attend a specific meeting, then the Co-Chair, in his or her sole discretion, may either designate a voting member to chair the meeting or cancel the meeting.

If none of the Co-Chair, the Academic Co-Chair or the designated chair is present within fifteen (15) minutes of the time fixed for the commencement of the meeting, the meeting will be canceled.

¹ References to Academic Co-Chair in these General Terms of Reference should be read to mean Vice-Chair as appropriate for a particular Committee.

Quorum

A quorum for the transaction of business at any meeting of the Committee is a number equal to a majority of the voting members of the Committee.

If quorum for a Committee meeting is not present within fifteen (15) minutes of the time fixed for the commencement of the meeting, the Committee may, by majority vote of the voting members in attendance:

1. proceed with the business of the meeting, but no voting/decision-making, other than approval of the agenda, shall take place at such meeting; or
2. cancel the meeting.

If quorum is lost at any time during a Committee meeting, the meeting will be automatically adjourned unless the remaining voting members unanimously consent to continue the meeting and the following conditions are met: (i) voting members equal in number to a majority of the quorum required for the transaction of business at any meeting of the Committee are present during the transaction of business; and (ii) in order for a motion to be carried/adopted, it must receive an affirmative vote of members equal in number to a majority of the quorum. In this circumstance, the minutes shall record that the Committee was acting on all further business without a quorum being present and, except when a decision must be implemented, moved forward to the next decision-maker or acted upon before the next regularly scheduled meeting, the decision will be ratified at that next meeting.

Meeting Agendas

Meeting items will be determined by the Co-Chair and the Academic Co-Chair in consultation with the University Secretariat, and meeting agendas will be produced in accordance with University Secretariat procedures. The agenda for each Committee meeting will be posted on the Secretariat website immediately following its distribution to Members.

Materials

As much as possible, meeting materials will be provided to the Committee electronically one week in advance of a scheduled meeting.

Conduct of Meetings

Meetings will be conducted in accordance with these General Terms of Reference and the Committee Terms of Reference or as determined by the Co-Chair where the terms of reference are silent on the matter.

Participation

All Committee members, including non-voting members, may participate in discussions. Only voting members may move, second and vote on motions. Committee meetings may be held in person or electronically as provided in these General Terms of Reference.

Electronic Participation

Where attendance in person is not feasible, members of the Committee may participate in the meeting by means of a telephonic, electronic or other communication facility made available by the Secretary and that permits all participants to communicate adequately with each other during the meeting. A person participating in a meeting by such means is deemed to be present at the meeting and may vote through the telephonic, electronic or other method of communication being used.

The Co-Chair may determine that a meeting shall be held entirely by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting.

Voting at Meetings

Motions will be decided by a show of hands or a roll call (voice) or otherwise in such manner that clearly evidences a member's vote and is accepted by the chair of the meeting. Voting by proxy is not allowed.

Subject to the voting requirements in the event of a loss of quorum set out under the section entitled "Quorum" above, an affirmative vote of a majority of the voting members present is required to carry/adopt a motion.

Elections will be decided based upon the number of votes in favour of each nominee in descending order, the first elected person being the nominee with the most votes. Additional elected persons will be the person(s) with the next highest number of votes in descending order until all elected persons have been determined. In the event of an equal number of votes being cast for more than one nominee (a tie), the Co-Chair (or the Academic Co-Chair where the Co-Chair is in a conflict of interest) will cast a vote to break the tie.

Electronic Voting

Email approval or electronic poll (which in this context excludes electronic polling in a meeting) is only suitable for straightforward motions or where it is not feasible or practical to call a meeting of the Committee and should be used infrequently.

The procedures for approval of motions via email or electronic poll are as follows:

- Motions may be made via email or electronic poll
- The motion will expire in the time set in the message; however, the Co-Chair or the Secretary may extend the deadline once by up to a maximum of seven days
- Voting requirements will be the same as under the heading "Voting at Meetings" in these General Terms of Reference
- The Secretary is responsible for tallying the votes and informing the Committee of the outcome
- Email motions may not be amended; however, the member who proposed the motion may withdraw it at any time prior to receipt of the necessary approval or the expiry time, if one, or with the approval of all members who voted on the motion
- If the motion does not receive the required votes by the deadline (as extended, if applicable), it fails

The Secretary will minute the proceedings and resolutions of all meetings of the Committee in accordance with the University Secretariat's GFC Minuting Standards. Once approved, the minutes of open meetings will be published on the Secretariat website.

Working group members may be drawn from outside the Committee or the GFC.
